## EDUCATION

Panimalar Engineering College

**2020 - 2024**

Chennai, India

- Electrical and Electronics Engineering
- Cgpa-9.08

.....

The TVS School

**2019 - 2020**

Madurai, India

- HSC Class XII
- Percentage=69%

.....

The TVS School

**2017 - 2018**

Madurai, India

- SSLC Class X
  - Percentage=91%
- .....

- **KAVACH HACKATHON WINNER** in the problem statement ANPR and FRS. This Hackathon is a joint initiative launched by the All India Council for Technical Education (AICTE), Bureau of Police Research and Development (BRPD), and the Indian Cyber Crime Coordination Centre (I4C).

## PUBLICATION

- 28th & 29th April, 2023

Published an IEEE paper on the topic "**Asthma Detection in Smart watch**" in 6th International Conference on Intelligent Computing(ICONIC)

## PROJECTS

### Low cost ECG Monitoring and Heart Rate Monitoring System

January 2023 - March 2023

- The goal of the Project is to provide ECG and to detect heart rate with low cost equipment.

### License and Face Detection

March 2023 - July 2023

- This project is used to detect license plate using ANPR and FRS.

## Certification Courses

- **Cloud Masterclass** - Cloud Practitioner Essentials Aligned to Competency Standards developed by IT-ITeS Sector Skills Council NASSCOM in collaboration with Industry and approved by Government. (Category-Gold)
- **Digital 101 – 30 Hours** Aligned to Competency Standards developed by IT-ITeS Sector Skills Council NASSCOM in collaboration with Industry and approved by Government. (Category-Gold)

## SKILLS

- HTML
- CSS
- JAVASCRIPT
- SQL
- ANGULAR
- JAVA
- FIGMA
- MATLAB
- PLC

## WORKSHOP AND INTERNSHIP

- 16th July 2022 - 17th July 2022

Two days workshop on **Ethical Hacking with Cyber Security** conducted by techo bytes  
Venue: **IIT MADRAS RESEARCH PARK, CHENNAI**

- 14th July 2022 - 15th July 2022

Two days workshop on **Electric Vehicle** conducted by TVS Training and Service Ltd  
Venue: **Panimalar Engineering College**

- 29th September 2022.

One days workshop on **Electric Vehicle** conducted by Top Engineers  
Venue: **Panimalar Engineering College**

- 7th Oct 2022 to 7th Nov 2022

One month Internship on **Artificial Intelligence** conducted by ACME grade

- 10th April 2023 - 15th April 2022

Five days **In plant training**  
Venue: **North Chennai Thermal Power Station-I, TANGEDCO(TNEB)**

- 1st February 2023 - 13th April 2022

Three months **value added course** in **Industrial Automation**  
Venue: Panimalar Engineering College

## HOBBIES

- Reading Novel
- Watching Series
- Cooking
- Painting

## DECLARATION

I hereby declare that the above said details are true to the best of my knowledge and belief.
